If the Municipal Council has resolved on 31-7-48 that in view of the slender finance of the Municipality, the contribution of an octro Naregar and other of Naregar's Reparatels for Mohalinta and octro collections is not possible and that the Shambhogue now attending to the work may be employed on Rs 25/- for all the purposes then suggestion may not be feasible and as such, the D.C. is reported to have permitted the continuance of the present arrangement pending sanction to and ^{as} contribution to a separate fund under the Rules & R.M.

6) The financial condition of the Municipality is as follows -

9) From a perusal of the
extracts of the audit
notes for 44-45 of the inspection
notes for 47-48 of the file of the
Nagesanpala main relly, it is seen
that a great need is felt for
the appointment of a manager
(paid agent) to attend to the collecting
of other facts there, with
a view to improving the financial
position of the relly.

10) The relly have resolved on
31-7-48 to appoint a manager
on Rs 25/- p.m. for the collection
of all the facts in the relly in
view of the fact that the
is employed for the collection of
material only on a casual
basis.

11) Subsequently the President has reported that the post maybe on a temporary basis for two years. The D.C. recommends sanction to this proposal.

12) The financial condition of the P.W.D. is not satisfactory. It is not in a position to appoint separate hands for water & tank & building funds & other miscellaneous tasks. Hence the

proposal recommended by the D.C. to appoint a hand who maybe designated as bill collector - contd. 25/

to Mr. maybe approved, as a temporary measure for two years & the position reviewed at the end of that period.

Sir,

Re Entertainment of One Octroi Manager for
Octroi and other Miscellaneous collec-
tions in Nagamangala Municipality:

I have the honour to state that, on repeated observa-
tions made at the time of the annual inspections of the
Municipal Office regarding the need for appointing a paid
agency for the collection of Mohatharpha and Octroi, the
Municipal Council, Nagamangala have, at their meeting held
on 31 7 1948,, resolved that, in view of the slender finan-
cial position of the Municipality, it would not be possi-
ble to entertain separate hands for Octroi and Mohatharpha
collections and that, therefore, M Narasimha Murthy who
is at present attending to collection work on commission
basis might be entertained permanently on Rs 25/- P M
and entrusted with all collection work The President,
while submitting the proposals, stated that in the inte-
rest of collection work, M Narasimha Murthy had been
entertained as Manager, pending Sanction of Government to
the resolution

Since the appointment of a permanent Manager or Mutsad-
di is governed by separate orders on the subject, I have

have issued instructions to the President to continue the existing arrangement of collection on commission basis till orders of Government sanctioning the proposal are received and another candidate is appointed as per M R B Rules

In view of the necessity of appointing a paid agency for the collection of Mohatharpha and Octroi, instead of, on commission basis, as observed both by the auditors and this Office, I request you kindly to obtain sanction of Government for the entertainment of one Manager on Rs 25/- P M for Mohatharpha, Octroi, and other Miscellaneous collections. As no provision has been made for this purpose, in the sanctioned budget, the expenditure on this account during the current year will have to be met from the Closing Balance of the Municipality.
